1 - 1 - 1

April 12, 1999

Oxnard, CA. Today, Atilla M. Taluy announced that at,

<http://www.fileyourtaxes.com>,

taxpayers, for the first time ever, will be able submit online the form 4868 Automatic Extension to File Federal taxes.

Once the tax professional's doors are closed and the post office has stopped taking mail for the night, the taxpayer can still file his or her extension until 11:30 PM PDT April 15, 1999, from his or her own home.

Mr. Taluy said, "This year brought many firsts to the taxpayer, including the Paperless Tax Return and the ACH Debit payment method. We are proud to be a part of the technology growth in this new era of tax filing services. As a matter of fact, to the best of our knowledge, we are the only service providing the online extensions this year, and are pleased to be premiering another first to the taxpayer. We enjoyed working with the Government, making this online service available to the taxpayer just in time before the close of this tax season."

The service was first made available at approximately 8:00 PM PDT on Sunday April 11, 1999.

Mr. Taluy continued to say, "This is an extremely novel and useful method for the taxpayer. The taxpayer no longer has to worry about finding an open Post Office or wait in long lines to submit extensions. We feel that it is our duty and responsibility to provide such a service and make it possible for the taxpayers to get extensions online from the comfort of their own homes or offices. We are there at the taxpayer's convenience."

Atilla M. Taluy expressed deep gratitude to those who made the site a success this season and invited all to visit and enjoy the benefits of
