

--PRESS RELEASE--

April 16, 1998

Oxnard, CA-

Atilla M Taluy announced that online tax filing site [www.FileYourTaxes.com](http://www.FileYourTaxes.com) successfully completed its second year of operation. The number of returns processed has increased well over ten fold from last year. Tax data received from taxpayers online was used to construct the returns that were filed electronically to any one of five IRS service Centers and if necessary to California FTB.

Work already commenced in the development of the 1998 tax return system, with emphasis on increased security and data integrity checks.
