Instructions

Who Must File. Any eligible claimant must file the Nebraska Community Development Assistance Act Credit Computation, Form CDN, to claim a credit or distribute the credit to its owners.

When and Where to File. This computation must be completed and attached to the income or financial institution tax return filed with the Nebraska Department of Revenue (DOR) or with the premium tax return filed with the Nebraska Department of Insurance.

Eligible Claimants. The Community Development Assistance Act credit may be claimed by individuals or business firms that have been granted the tax credit by the Nebraska Department of Economic Development (DED). The credit is given for contributions to projects of community betterment organizations approved by the DED. Individuals, sole proprietors, corporations, partnerships, S corporations, fiduciaries, and limited liability companies (LLCs) conducting business activities may be eligible for the credit. This includes insurance companies paying the premium tax or financial institutions paying the financial institution tax.

For additional information on the Community Development Assistance Act credit, please contact the Nebraska Department of Economic Development, 245 Fallbrook Blvd, Suite 002, PO Box 94666, Lincoln, Nebraska 68521-4666; or contact Darin Lubke at 402-471-3116 or darin.lubke@nebraska.gov. For more information go to opportunity.nebraska.gov. **Please do not contact DOR.**

Fiscal Year Taxpayers. Credit is to be claimed on this form for contributions made during the tax year that begins in 2023. The contribution made to the community betterment organization's approved program must qualify as a charitable contribution deduction on the individual's or business firm's 2023 federal income tax return, or be approved by DED.

Amended Returns. A Form CDN marked "Amended" must be attached to any amended income tax or financial institution tax return if the credit was claimed on an original return. If the amount of the carryover was changed, amended returns must be filed for all years affected by the change.

A 2023 Amended Nebraska Financial Institution Tax Return, Form 1120XNF, must be filed if:

- The financial institution's net financial income or amount of deposits for tax year 2023 are changed by a state or federal regulatory agency; or
- An error was made on the financial institution's original Nebraska Financial Institution Tax Return, Form 1120NF, for 2023.

The 2023 Form 1120XNF can only be filed after the financial institution has filed a Form 1120NF for tax year 2023.

Note: An amended return claiming a refund of tax previously paid must be filed within 90 days after the date the tax was due or paid, whichever date is later; or within 90 days after receiving notification of a change in the amount of net financial income or deposits from a state or federal regulatory agency.

Records. Records regarding contributions must be kept for at least three years after claiming a credit or using a carryover.

Specific Instructions

Part A. All claimants must complete lines 1 through 4 of Part A. An individual, corporation, fiduciary that does not distribute its income currently, or an LLC that is taxed as a corporation, must also complete the remainder of Part A.

Line 1. Enter the amount of the tax credit approved by DED. If no credit was granted in 2023, but Form CDN is being completed to claim unused credit carried forward from 2018 through 2022, enter zero (-0-) on line 1. Complete lines 2 through 15 where applicable.

Line 2. Enter the amount, if any, from line 14 of your 2022 Form CDN, less any unused credit remaining from 2017. Partnerships, S corporations, fiduciaries that distribute income currently, and LLCs taxed as partnerships, must also distribute all credits currently, and therefore must enter zero (-0-).

Line 13. If the total of lines 6 through 12 is larger than the amount on line 5, enter zero on line 13.

Line 15. Subtract line 14 from line 4. Any unused credit may be carried forward for the next five years after the credit was first granted.

Part B. If you are a partner, shareholder, beneficiary, or member of an LLC, who was distributed any of the credit by a partnership, S corporation, fiduciary that distributes its income currently, or LLC, list: the name; address; Nebraska ID number; federal ID number; and your share of the credits from each entity which distributed this credit.

Part C. Each partnership, S corporation, fiduciary that distributes its income currently, or LLC taxed as a partnership must enter: the name; federal ID number or Social Security number; share of income or ownership; and share of the credit for each partner, shareholder, beneficiary, or member. The share of the credit is determined by multiplying the amount on line 4 by the percentage share of income or ownership of each partner, shareholder, beneficiary, or LLC member.
